Place the Belly Band around your waist. Attach the end of the band to the six inch strip of Velcro®. Adjust this to a snug fit while still remaining comfortable.

STEP 2:

Place the Modular Holster on the Belly Band to the desired carry position on your waistline.

STEP 3:

Tightly wrap the remainder of the strap to one of the attached sections of Velcro® around the Belly Band.

Place your shirt over the Belly Band and enjoy a comfortable conceal carry, all day long.
